[TES-38] The "Home Telephone" and/or "Mobile" and/or "Work Telephone" fields are mandatory fields

Created: 18/Jun/23 7:33 PM - Updated: 13/Aug/23 10:59 PM - Resolved: 13/Aug/23 10:59 PM

Status:	Done
Project:	TestareManuala
Component/s:	None
Affects Version/s:	1.0
Fix Version/s:	1.0

Type:	Bug	**Priority:**	Highest
Reporter:	GinaIoanaT	**Assignee:**	GinaIoanaT
Resolution:	Done	**Votes:**	0
Labels:	None		
Original Estimate:	Not Specified		
Remaining Estimate:	Not Specified		
Time Spent:	Not Specified		

Environment

Testing

Description

Precondition: N/A

Steps to reproduce:

1. Open OrangeHRM application.
2. Log into the application.
3. Go to "My Info" module.
4. Open the "Emergency Contacts" section.
5. Click on the Add button from "Assigned Emergency Contacts".
6. Fill in all the mandatory fields except for the "Home Telephone" and/or "Mobile" and/or "Work Telephone" fields.
7. Click "Save".

Expected result:

After filling in all the mandatory fields except for the "Home Telephone" and/or "Mobile" and/or "Work Telephone" fields and pressing the Save button, the emergency contact should be added.

Actual result:

After filling in all the mandatory fields except for the "Home Telephone" and/or "Mobile" and/or "Work Telephone" fields and pressing the Save button, the emergency contact has not been added. The message "At least one phone number is required" is displayed.

Remaining Estimate:	Not Specified		
Time Spent:	Not Specified		

Environment

Testing

Description

Precondition: N/A

Steps to reproduce:

1. Open OrangeHRM application.
2. Log into the application.
3. Go to "My Info" module.
4. Open the "Emergency Contacts" section.
5. Click on the Add button from "Attachments".
6. Click the Browse button and select a file that has the size of maximum 1 MB.
7. Click "Save".
8. Click again on the Add button from "Attachments".
9. Click the Browse button and select the same file as before.
10. Click "Save".

Expected result:

When the user adds the same file multiple times to the emergency contacts section and presses the Save button, it should not be allowed to add the same file more than once. The following message should be displayed: "This file has already been added/already exists in the list!".

Actual result:

When the user adds the same file multiple times to the emergency contacts section, the attachment subsection is closed and the file selected by the user is successfully saved.

Environment

Testing

Description

Precondition: N/A

Steps to reproduce:

1. Open OrangeHRM application.
2. Log into the application.
3. Go to "My Info" module.
4. Open the "Emergency Contacts" section.
5. Click on the Add button from "Assigned Emergency Contacts".
6. Fill in all the mandatory fields.
7. Click "Save".
8. Click again on the Add button from "Assigned Emergency Contacts".
9. Fill in all the mandatory fields with the same entries as for the previous emergency contact (the same name, the same relationship and the same phone number).
10. Click "Save".

Expected result:

When the user tries to add the same emergency contact multiple times, the emergency contact should not be added. The following message should be displayed: "This emergency contract has already been added/already exists in the list!".

Actual result:

When the user tries to add the same emergency contact multiple times, the emergency contact entry is closed and the emergency contact details were successfully saved.
